BAR HILL - HOW LARGE SHOULD IT GROW?

STRUCTURE PLAN IMPLICATIONS

The County Council have suggested that Bar Hill could grow from its present population of about 2,200 to a final population of about 10,000 instead of the 4,500/5,000 presently planned final population.

Alternatively they suggest a final population of about 6,500.

A VILLAGE MEETING has been arranged at which the Chairman of the County Planning Committee will speak and answer questions from the residents of the village. The basis of the meeting will be the draft County Structure Plan which seeks to establish areas for population growth.

This public meeting will be held on

MONDAY, 9th May, at 7.30pm in the School.

Mark Pettit, Parish Clerk
28 Acorn Avenue, Tel: 80400

The BHRA is very concerned by the Structure Plan proposals and the way in which they would affect us all here at Bar Hill. Please come along to the Public Meeting - don't wake up when the bulldozers start work!!

Mary Ingram, BHRA Sec.

The objectives of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of Bar Hill Village.

BAR HILL RESIDENTS' ASSOCIATION.

Minutes of a meeting held on Monday, 4th April, 1977, in the School.

Minutes of the last meeting were read and approved with one amendment to the Apologies, which should have read "Mr. Lewis" and not "Mr. Jervis".

Apologies for absence were received from Mr. D. Tyler, Mr. T. Mitchell, Mr. T. Wingate and Mrs. A. Littlefair.

Matters arising:- 1) 30mph signs - a reply from the Parish Council stated that special restriction orders will have to be made in respect of the roads. I would seem that the original signs were of a "private" nature. 2) Caravans - a piece has been published in the "News" and results are awaited. 3) Reply to Parish Council letter - a letter was read out which answered several small points which the Residents sent to the Parish Council.

Membership Drive. One area has been completed and response was reported to be "reasonable".

Treasurer's Report. The Treasurer reported that there was no change in finances.

Parish Council Report. Our Representative was unable to attend the last meeting and Mr. Lakin gave an account of what took place. A brief report on the Annual Parish Council Meeting was given by the Secretary.

Bar Hill News. More paper is required. The last issue used 25,000 sheets. New drive bands are required for the machine. We had received one reply to date for a typist. Discussion was held on the proposed restriction to $\frac{3}{4}$ page for regular contributors to the News. It was agreed to make double this space available once a year to each society, if required. Mr. Lewis stated that ads are not coming through to him. He pointed out that more attractive ads are available.

Amenities Report. The Committee were brought up to date on the progress and several things are proceeding as planned.

Tenth Anniversary. The final programme is about to be published. Discussion took place about the cycle races, and it is hoped that these will not disturb the village too much. Tug-o-War invitations will be distributed this week.

Information Booklet. About half the booklet has been organised and a draft layout should be ready for the next meeting.

C.S.U.A. No report.

Any Other Business. A letter from the Cambridgeshire Hotel had been received informing us of the forthcoming Golf Tournaments. The Ben Sawyer Senior Tournament will be held on the 26th, 27th and 28th June and will be preceded on the 25th by a Pro-Am in aid of the very worthy charitable institution of St. Johns'. A Pro-Am Tournament will also be held on the 2nd October in aid of Cancer Relief.

Maintenance Fees. Discussion was held on these and it was pointed out that problems should be referred to the individual householder's solicitors.

Structure Plan. Discussion took place about the proposed Structure Plan. The Committee hope to get a Public Meeting for the village to discuss the proposal. The Committee are endeavouring to liase with the Parish Council on this matter.

Roundabout. Discussion took place on the new roundabout as it is proving to be an accident black spot owing to the unexpected sharpness of the turn and the poor vision. An approach to the Parish Council is to be made.

Allotments. Persons unknown are dumping rubbish at the entry to the allotments and there are some iron bars there which may be a danger.

The meeting closed at 10.00pm. The next meeting will be held on Monday, 2nd May, 1977, at the School. All members of the public are welcome to attend.

Agenda:-

- 1) Minutes of the last meeting.
- 2) Apologies for absence.
- 3) Matters arising from the Minutes.
- 4) Membership.
- 5) Treasurer's report.
- 6) Parish Council report.
- 7) Bar Hill News.
- 8) Tenth Anniversary.
- 9) Village Hall complex.
- 10) Any Other Business.

Mrs. Mary Ingram, 17 Otter Close
Hon. Sec., BHRA.

YOUR VILLAGE NEEDS YOU

PARISH COUNCIL NOTES.

1. Last meeting 19th April. Minutes on Notice Board in the Mall. Next meeting Tuesday, 17th May at 8.00pm in the Green Hut. Public welcome.
2. Planning: Reason Homes have appealed against the planning refusal for extra houses next to the perimeter road at Hollytrees. Tesco's are seeking permission for a garden centre to be built on the West (Industrial area) side of the building. The Parish Council have suggested some modifications to generally acceptable plans. Tesco petrol station - a variety of signs have been suggested. The Council object to those which are unhelpful or likely to annoy residents. Other signs which guide motorists are welcomed. The Mall - the modifications were considered. The design quality is welcomed, while it is accepted that improvements to the Mall will be useful. However, it is being suggested that both rear sides of the Mall need improving and that only one (and not two) shop units should be knocked out to provide a pedestrian connection from the Mall to Tesco's.
3. Elm trees. The advice from experts is now changing with regard to the two trees in the angle of Acorn Avenue/Almond Grove. It is now probable that although the trees will have to be drastically cut back, it should be possible to save one of the trees. However, Dutch Elm Disease may still kill the trees.
4. Rubbish. Dumping of bulky rubbish is taking place near the golf course. This is an offence for which the Police will prosecute.
5. Bus passes for retired residents. The Council will be considering a possible subsidy at its next meeting in May.

Mark Pettit, Parish Clerk
28 Acorn Avenue, Tel: 80400

MAINTENANCE PAYMENTS.

Those who have not written to the Council will have received a FINAL NOTICE.

These notices are definite: the debt will be passed out of the village for collection unless you make immediate contact with the Council.

BAR HILL NEWS.

Last year the production of the Bar Hill News cost £218 and each edition averaged 8 to 12 pages. This year it has grown to average 20 - 24 pages per edition, thus raising the cost of production considerably, before inflation is considered.

This year, paper alone has cost £92.00 to date, and more is needed.

Last month, organisations and clubs were asked to restrict their copy to $\frac{3}{4}$ page, and extra to be charged at advertising rates. They have also been asked for a donation towards the rising cost of the News.

As the News is part of your village we do not wish to see it disappear, and to avoid this we need urgent help from the clubs and organisations of the village.

Mary Ingram, B.H.R.A. Sec.
17 Otter Close, Tel: 80447

This month's issue is the last to be edited and typed by Mrs. A. Littlefair. Please will everyone ensure that all copy to be published in next month's edition is delivered to MRS. MARY INGRAM, 17 OTTER CLOSE, by the 20th May. Any copy received after that date will not be able to be included in the June edition.

ALL COPY MUST BE WITH MRS. INGRAM BY THE 20th OF EACH MONTH AT THE VERY LATEST FOR INCLUSION IN THE NEXT MONTH'S NEWS.

Waste paper - back to normal this month. We shall be collecting on Saturday, 14th May, starting at 9.00am. With the camping season now upon us the benefits of the monies earned from waste paper are only too obvious and we look forward to your continued support for the fund raising venture.

Job Week - and what a week it was! At this time it is too early to say how much the boys earned, but we have high hopes that we will be able to cover the capitation fee of over £100 that we have had to pay to the Scout Association. May we thank all those of you who found jobs for the boys to do, not just for the money that they earned from doing them but also for the valuable experience of taking on responsibility which is essential in the development of these youngsters.

Welcome to Kevin - Kevin Read-Jones that is who has joined the Scouter strength of the Group. Kevin has taken up the position of Group Scout Leader, which had been vacant since Jack Bulger moved from the village. As Group Scout Leader (G.S.L. for short), Kevin is responsible for the liason between the parents' committee and the scouters, to ensure the smooth running of the Packs and Troop. It is a job that has remained undone for too long and we thank him for taking up this position with the Group.

Only a few short weeks to go until the fruition of months of work and organisation by many people and organisations - the weekend of festivities on the 21st and 22nd May, to mark the occasion of the Queen's Silver Jubilee and the tenth anniversary of the beginning of Bar Hill.

We hope you will come along with your family and friends to the displays, stalls, and fancy dress parade, all presided over by the May Queen, on Saturday, 21st May. There is a very full programme of events for this day and there is something for everyone to enjoy.

In the evening of the 21st there will be a buffet dance with cabaret. Tickets are now available from Mr. G. Brunning, 29 Otter Close, Mr. W. Norton at the School and from Mr. P. Woods of the Parish Council.

There is still time to produce your entry for the several arts and crafts exhibitions and competitions to be held on the Sunday, 22nd May. The exhibition will be held in the School from 1.30pm - 4.30pm and your contribution should be taken to the School between 10.30am and noon that morning. The aim is to show the range of hobbies and crafts carried on by villagers, so do please make an entry of your hobby, however amateur or insignificant YOU think it is - you could well be just modest! Prizes will be awarded for outstanding exhibits, but the competition is secondary to the display.

Entries for the art competition, "Bar Hill - My Village" should be handed in to the School by Monday, 16th May, ready for mounting and judging. This is open to all ages and all mediums, so do try your hand.

The junior art competition is for the best plan and sketch of "My Ideal Home" and is open to all children aged 16 and under. Please encourage your children to have a go.

See you at the celebrations, and don't forget to try one of my incomparable (?) hot-dogs!
